

On the morning of Saturday 22nd March 2014 it was all 'Action Stations' at Aldermans Green Church, Coventry. 60+ Women of Action were in Action! We were there to meet 'THE Potter'.

Jan Finch came along to share about how THE Potter is continually re-shaping our lives.

She began by sharing a secret about her outfit for the day; and the poem 'The One Flaw in Woman' was read, (yes one flaw)

Jan shared a portion of her life story and the ways God, THE Potter, had re-shaped her life. We then all became potters and artists as we made small tea-light holders, to remind us that we are moulded to carry the light of Jesus, and then decorated hand shapes reminding us of changes prayer can make.

After a lovely buffet lunch Jan shared about the Living Water which is continually welling up in abundance; and asked are we ready to be poured out? Is what we pour out fresh, living water? What sort of vessel are you?

Each lady then wrote out a word of encouragement on a small card for the lady to the right of her, there was a little confusion for those on the end of rows and a lot of laughter as it was sorted.

A time of testimony followed as ladies shared how God had touched them during the day. I know that I and those around me had been really blessed by the day's events

and would like to thank Jan, the caterers and those who were involved in organising the Spring Event, for a very special day.

Make sure you don't miss the Autumn Reflections later this year.
